

## A Sickness is Coming

People are worried about a new sickness like the flu. It is called a Coronavirus.

Most people who get this sickness will be sick and then get better in two weeks.

A few people might be very sick and need to go to the hospital.

### Be safe!

**WASH YOUR HANDS** - Every time you walk through the door – wash your hands with soap.

**COVER YOUR COUGH** - Cough in your elbow.

If lots of people start to get sick, you might need to stay home for a long time – 14 days or more.

## Make sure you have

Any medicines you take – Have enough for two weeks	
Bathroom items like toilet paper and sanitary napkins	
Soap for hands
