

## Guide – Grocery Shopping with voice control of Amazon Alexa or Google Assistant

Enable the skill on the Alexa or Google Assistant:

- Go to the Alexa/Google assistant app on your device..
- Type in “OurGroceries” in the skills search
- Download the skill.

Ordering from OurGroceries:

- Add to your cart list by saying “Alexa, ask OurGroceries to add food to my WholeFoods cart”.
- See what’s in your cart by asking “Ok Google, ask OurGroceries whats in my Walmart cart”.
- When you are ready to check out, you need to go into the application and manually finish the order and schedule a delivery.
- There are many stores that you can create lists for as well as schedule deliveries through the stores specific delivery system.
