

Me and My AT

Assistive Technology (AT) helps me succeed in school.

My name:

Grade:

This is the Assistive Technology that I use:

This year I hope to...

This is someone you can call or email if you have any questions:

The Individuals with Disabilities Education Act (IDEA) defines Assistive Technology as, "any item, piece of equipment, or product system, whether acquired commercially off the shelf, modified, or customized, that is used to increase, maintain, or improve functional capabilities of a child with a disability."
